

SIKA AT WORK

PARKOVY Kyiv International Convention Center
(KYIV, UKRAINE)

Sika Technologies: Sikaplan utility roof waterproofing

BUILDING TRUST

PARKOVY KYIV INTERNATIONAL CONVENTION CENTER

PROJECT DESCRIPTION:

PARKOVY Kyiv International Convention Center is a modern unique complex, truly exemplary venue with high-tech facilities. Complex is located in a park zone, in the heart of the city center. Since its opening in 2013, Parkovy has been selected by many market leaders and TOP companies and became a proud home for all Ukrainian iconic events. It has provided facilities to UN delegates; charity events organized by UNICEF and became the official location of the Eurovision 2017 song contest.

REQUIREMENTS FOR PROJECT:

The owner required a durable and cost-effective solution for waterproofing of utility roof.

SOLUTIONS FROM SIKA:

The **Sikaplan® WP 1100-20HL** PVC membrane was chosen for its proven durability and cost effectiveness. It provides reliable waterproofing of the ballasted roofs. Flashing details were done with laminated sheet and **Sikaflex® PRO-3** PU sealant.
